# Our Credentials

## Certifications to Testimonials

“Manomav Engineers are kind of ‘Goldilocks’ project managers who balance process with action, truly managing people to perform, not just throwing blame, anticipating problems, and building lasting relationships with clients, contractors, workers and designers.” – Sanjay Prakash, Principal Architect (SHiFt)

“Manomav Services are excellent in terms of Quality of drawings, turnaround time and technical expertise. They have customized services as required by the project.” – Zin Zin Win, Project Manager (Parami)

“We feel proud in appreciating such young, energetic and problem solving team for saving us time and money in the life cycle of the project. Team Manomav followed up the resolution of RFI and expedited the submission of Shop Drawings from Contractors and approvals” – Ramjee – Construction Manager (Larsen & Toubro)

“The commitment and competence of Manomav Engineers Team was found to be of very high order which helped in successful and timely completion of this time bound project. Working with these highly motivated young individuals was professionally satisfying.” – Sandeep Hooda, Owner (Vega School)
